As the plane flew lower, Lou saw the golden beaches of the island below. He flew to Turkey. Lou checked into the hotel where his friends - Emma, Ella, Gail, Sammie, were already waiting for him. After Lou and his friends settled in the hotel, they went to the sea. When they came to the sea, there were a lot of jellyfish and swimming was forbidden, but Lou did not listen and went swimming. Immediately after he entered the water, he was stung by a jellyfish and Lou screamed at the top of his voice.

WRITING

I like to watch action films -
- science fiction based on individual
events, dramas. I like watching
them at home than in the cinema
because it's more comfortable
there.

As the plane flew lower
low the golden of the beaches
of the island below. So this is how one
of my favorite films begins, but
there are also favorites: Harry
Potter, Marvel, Transformers and
and Jurassic Park and two.

I like to watch movies on the
big screen, that is on the TV
but on the phone it's not so
convenient, my hand gets numb,
but in front of the TV you can
lie down and have a good meal
and even while watching
a movie on the TV you can fall
asleep, but you can't sleep on the
phone because it can fall from
your hand.
